

Leading Croydon's green revolution, one community site at a time.

Croydon Community Energy Ltd (CCE) is a registered society that aims to develop, own and facilitate renewable energy installations for the benefit of the community of the London Borough of Croydon. We are registered as a Community Benefit Society (no. 8759) with the Financial Conduct Authority (FCA) under the Cooperative and Community Benefit Societies Act 2014.

We aim to:

- Deploy renewable energy to at least 10 sites by 2030
- Complete four community share offers by 2030
- Establish a network of energy efficiency champions, which will grow by five people each year
- Deliver energy efficiency advice to 100 households by the end of 2025 and 500 households by the end of 2027
- Ensure that all of our members know the benefits of community energy for Croydon through a structured onboarding process
- Directly employ five people by 2030
- Use Croydon-based businesses where possible. At least 25% of money spent will be with a Croydon based business by 2030
- Meet with key councillors and our MPs at least twice a year
- Become a trusted community energy provider in Croydon
